

# Make a joyful noise

Pete Hills

Make a joyful noise unto God all the earth  
Make a joyful noise unto God all the earth

Sing forth the honour and glory of His name  
Make His praise glorious  
Sing forth the honour and glory of His name  
Make His praise glorious

We're gonna sing, sing, sing  
We're gonna sing, sing,  
Sing our praises to Him

Dance, dance, dance....

Shout, shout, shout....

# We'll give You thanks

Peter Hills

We'll give You thanks with a grateful heart  
We'll enter into Your courts with praise  
For You are good and Your word is truth  
We'll give our thanks and our praise to You

Your mercy and kindness are everlasting  
Your faithfulness and truth endure to every  
generation

We are Your people we serve You with joy  
We come to Your presence and sing in adoration

Make a joyful noise to the Lord of hosts  
We will raise one voice to the King of kings

# Come back home

Pete Hills

I'd forgotten who my Father was  
And who He said I am  
I began to live an orphaned life forgot I was a son  
But it's never too late to run back home  
He won't say who's to blame  
Just let Him fling His arms of love  
Around your heart again

I'm a child of Yours and I know I'm dearly loved  
I'm a son and an heir and my Dad has lots of fun (rooms)  
He is good good Father and He's really really likes me  
He's proud of me and what I do that's all I need to know  
And He's calling out to all His kids  
Saying won't you come back home

Now and then I'd thought of you  
In a way that wasn't right  
I believed a lie it was pie in the sky  
Didn't match up to the truth  
But You're never too far to reach out to  
And You're calling out my name  
I'll dance a dance of love with You,  
You can spin me round again

# Kingdom People

Peter Hills

We are the people of the Kingdom  
We are the people of the day  
We are the army of the love war  
We are the fragrance of Jesus

We will shine like the noonday sun  
In the coming Kingdom of the Father  
We will shine like the Risen One  
For the skies will be filled with His glory

We are saints a royal priesthood  
We are a holy nation  
We are the army of the end times  
We are a chosen generation

Give us eyes to see and ears to hear  
For the gathering of the harvest

The Lion's about to roar

Pete Hills & Rob Townley

The Lion's about to roar about to roar

Across this land again

The Lion's about to roar

So get ready for the shaking

So get ready for the coming

The fire's about to fall about to fall

Across this land again

The fire's about to fall

So get ready for the purging

So get ready for the burning

# Come up here

Peter Hills

You're calling out to me  
Saying 'Come up here'

For the veil has been torn in two  
There's nothing that is stopping me  
Coming to You

Cause I want to see You,  
I want to see You,  
I want to see You where You are  
God I want to be with You,  
I want to be with You,  
I want to be with You where You are

# Caught up

Pete Hills

I want travel to the stars  
And meet you where you are  
I've found it's not that far  
I want to journey through the Son  
Where we can become one  
And I become undone

I'm caught up in heaven  
I'm caught up in heaven with You

I want to be found in the courts of King  
In Your presence I will sing  
You're the Lord of everything  
Oh I fall down to my knees  
On the crystal seas  
And behold Eternity

I see the stones around Your throne  
Where you have made my home  
And called me as Your own  
I fly across the crystal sea  
Your voice sings out to me  
You've seen Eternity

You take me higher

# Close to Your Heart

Peter Hills

There's power in Your peace  
And joy in Your strength  
There's freedom in Your presence  
And mercy for our souls

The Father's love is all around us  
Revealed through Jesus  
Holy Spirit seal us as Yours

I want to come so close to Your heart  
I want to come so close to Your heart

So I hear Your heart beating  
And know what You're thinking  
Oh I hear that you love me  
For who I am

# Guiding Light (I am Yours)

Peter Hills

Here in your arms  
I find peace like a river flowing through  
All the pain and all the storms  
I know Your grace is all I need  
For I am sure that nothing can  
Separate me from Your love  
Hold me close hold me tight  
Lead me by Your guiding light

I am Yours forever  
I am Yours forever  
And when You say my name  
I hear You call it's more than I can understand  
My greatest gift to be Your friend  
And share eternity with You

Here in Your love  
I am free to love the way You do  
It's not a show it's how I know  
My life is flowing out from You  
For I am sure that nothing can  
Separate me from Your love  
Hold me close hold me tight  
Lead me by Your guiding light

# Born to fly

Jess Elkins & Peter Hills

My precious child, come to me,  
I'll unclip your wings & set you free.  
Free to soar, free to fly,  
The sky's the limit so go on & try

Spread your wings (and fly) and soar up to the highest  
heights,  
It's time to show the world your beauty & your real  
delight,  
Never be afraid to reach for the sky,  
You were born for this, you were born to fly

My precious bride....

# The Heaven of Heavens

Peter Hills

The heaven of heavens cannot contain You,  
So how can we expect to fully understand Your ways  
All we can ask for is more of Your wisdom and  
understanding

O Lord reveal Your mysteries  
Draw us into You to see what the Father sees  
O Lord show us Your wonders  
Pulling back the veil to show us eternity

From glory to glory we're being transformed, like a mirror  
Reflecting Jesus' glory to the world  
All of us now with unveiled faces we'll live in freedom

Shine Your light into the darkness  
So we can move in Your power and glory (repeat)
